[redacted] is in California and will not be attending.
We are in the process of updating our grievance policy. This was prompted by the grievances filed by an operator on other operators which caused issues in the town for some. I reached out to [redacted] for some guidance. We should discuss this.
Also, we have pending applications for 6 homes (one owner) that we are questioning their operating structure. I would like to know the group's thoughts on the interpretation of the definition of "operator" in the Sober Home Law.

Denise Menzdorf
