About 123 House West

123 House West gives men in early recovery a certified sober address in Taunton, with 19 beds. It is the only 123 House location in the city. Rent and room details are not published, so the house shares them by phone with men who ask about a bed.

The house belongs to 123 House, a small operator with men's homes in Taunton, Brockton, Holbrook and Attleboro. All of its homes share one intake line, so callers should say they are asking about the West house. MASH certifies the home, which means it was inspected against national standards.
